- Article 1 These Regulations are adopted in accordance with University Law, University Implement Rules and Degree Conferment Law and amended based on actual needs of NCHU.
- Article 2 Students who have finished one academic year in NCHU and wish to pursue a minor degree shall submit the completed application form within 2 weeks after the registration date, along with the academic transcript to the chair of the program in which they currently study and the program they wish to enter for approval. The approved application is then submitted to Division of Registration for record.
- Article 3 Students pursuing a minor degree shall acquire at least 20 credits of required (compulsory) courses in the minor department/degree program. Courses in the students' major study which share the same name with the required (compulsory) minor courses shall not be included in the aforementioned 20 credits.
- Article 4 Credits which students take for their minor degree shall be in addition to the required minimum graduation credits of their major study.
- Article 5 Undergraduate students who prolong their study period because of pursuing a minor degree and who take 9 or less credits shall pay the "credit-fee". Students who take 10 or more credits shall pay the full amount of tuition and miscellaneous fees. All extension education program undergraduates pursuing a minor degree shall pay the credit fees.
- Article 6 The class schedule of minor study shall not conflict with that of one's major study.
- Article 7 The required courses, credits and the order in which students should take those courses for their minor study (degree program) are determined by the department/degree course, submitted to Course Committee of the Department, College or School for approval and sent to the Division of Course for record.

- Article 8 When students are required to decrease, repeat, or make up courses or credits in their major study (degree program), the recommended credit number taken each semester shall be modified according to related regulations. The aforementioned students shall make up or retake their original department's (degree program's) courses before retaking courses in their minor study (degree program).
- Article 9 Scores of students' courses in their minor study (degree program) shall be averaged into each semester's score. NCHU shall handle grades-related matters in accordance with applicable regulations.
- Article 10 For students who fulfill the graduation requirements of their minor study, the said information will be noted in their student information data, diploma, graduating students list, and each year's transcript.
- Article 11 Students who have acquired necessary credits for graduation from their major-study department (or degree program) but failed do so for their minor-study department (or degree program) may declare withdrawal from the minor study within the permitted time frame (December 1 to 31 for the first semester; May 1 to 31 for the second semester). The aforementioned students are eligible for receiving a degree in their major, but the record of their minor study will not be noted in their diploma. The aforementioned students are neither permitted to return to school to finish their minor study after graduation nor request proof of minor study (or minor degree program).
- Article 12 Students who pursue a minor study (or degree program) are permitted to extend their length of study for a maximum of two years. Students who fail to complete all required credit courses for the minor study at the end of the two-year extension will not be granted further extension.
- Article 13 These regulations and any amendments hereto shall be reviewed at the Academic Affairs Meetings, publicly announced, implemented, and submitted to the Ministry of Education for record.
